 Sound: Randy Franken, Chat Gunter, and Chris Tillam

Camera Equipment: Bogdanowicz modified Auricon with 12-120 Zoom, Eclair NPR with 9.5-95 mm Angenieux Zoom

Sound Equipment: Nagras with Sennheiser shotgun mics

For the summer 1969 expedition, John is using the Eclair for the first time. In New York, after driving from Boston, while he's being fitted for the new shoulder harness, the blue VW wagon and all our gear disappears. Towed away and impounded: we retrieve it down by the East River.
